

15-400 Project Milestones: Using Just in Time Compilation to Implement an In-Memory Database Key Comparator

Abigale Kim

June 4, 2021

1 Major Changes

None.

2 Accomplishments

Working on refactoring code so I can place my implementation of the key comparator in.

3 Meeting Your Milestone

Honestly, haven't really met milestones, am pretty overwhelmed right now.

4 Surprises

Feeling pretty mentally overwhelmed. :(Should probably write new milestones to reflect the events that happened about 1 week ago.

5 Resources Needed

I am set with both software and hardware.
